Selezione di esercizi proposti nel DVD1, Maria G. LO DUCA, *La frase minima o nucleare nel modello valenziale*

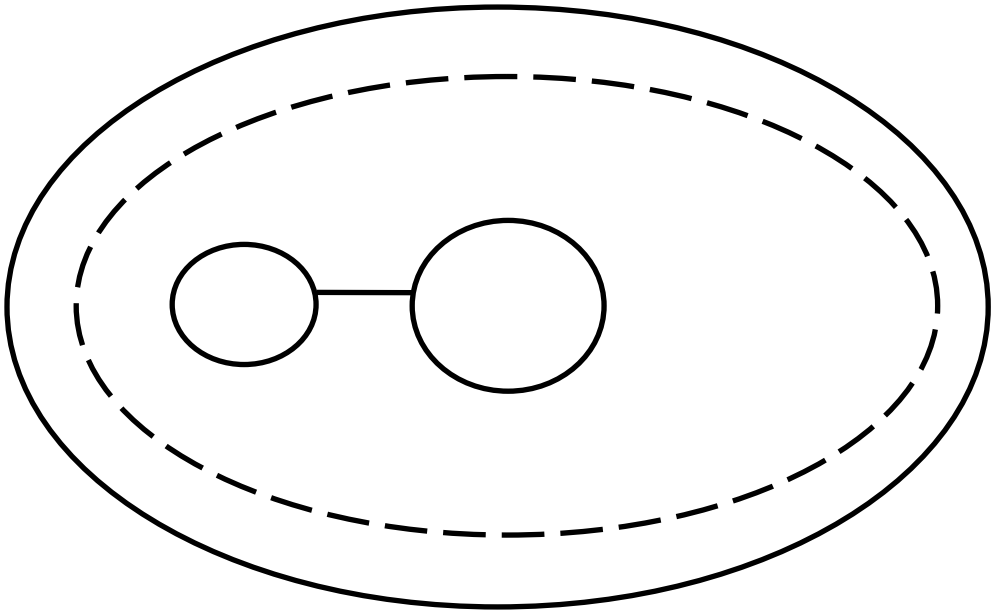

1. LA FRASE MINIMA

La frase minima si compone del verbo–predicato e degli argomenti necessariamente richiesti dal verbo perché possa svolgere la sua funzione logico-sintattica.

1.
Individuate le **frasi minime** che contengono un predicato, ma non hanno significato compiuto.

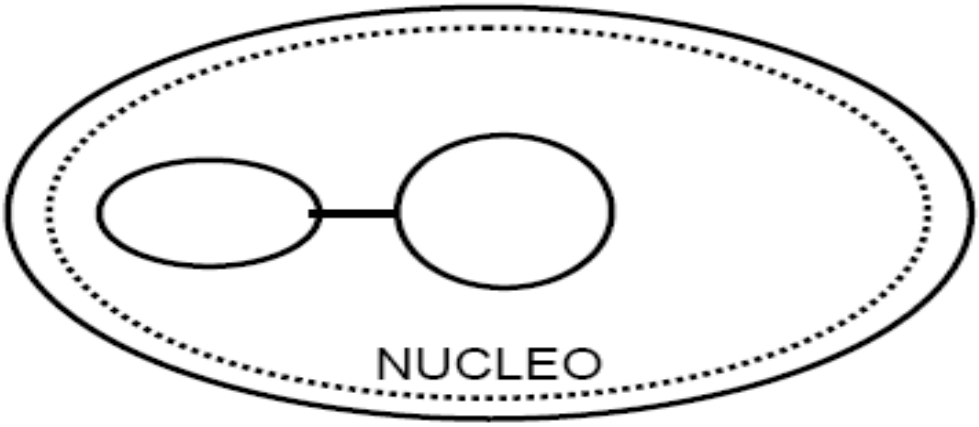

a. La luna sembra
b. Maria sembra intelligente
c. Luca ha messo il libro
d. La mamma accarezza
e. La macchina appartiene
f. Il professore distribuisce
g. Il bambino piange
h. Il gatto miagola
i. Gianni dà la penna
l. Lucia abbraccia

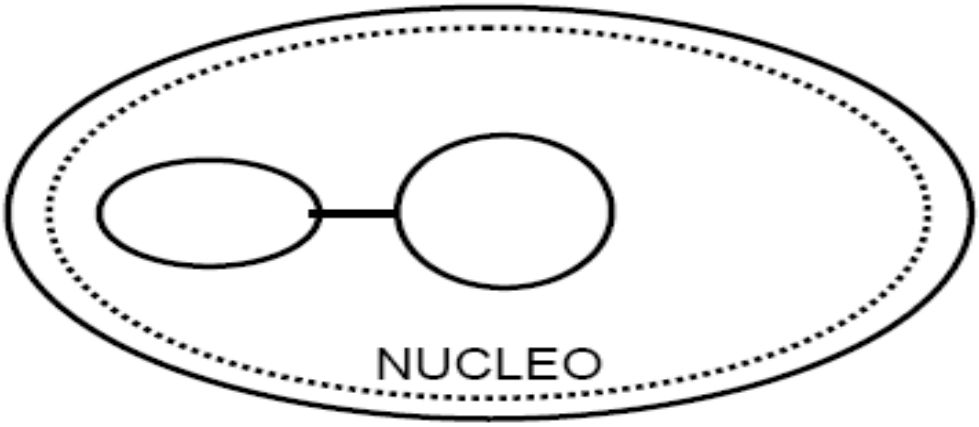

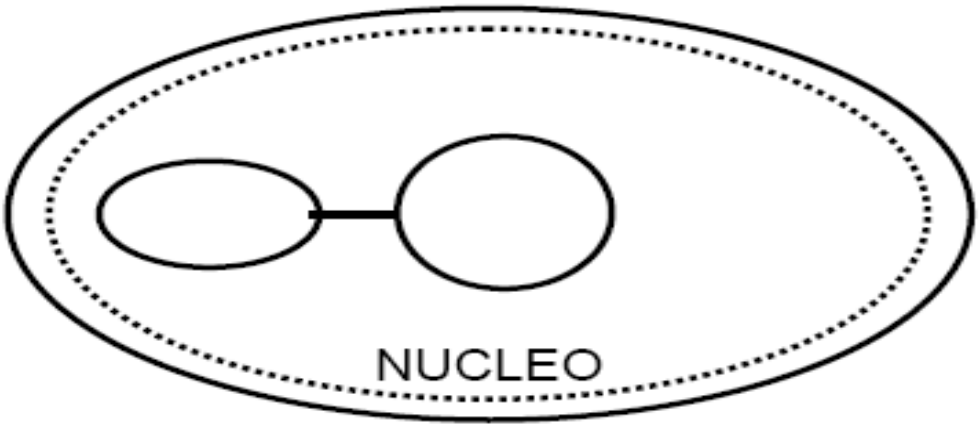

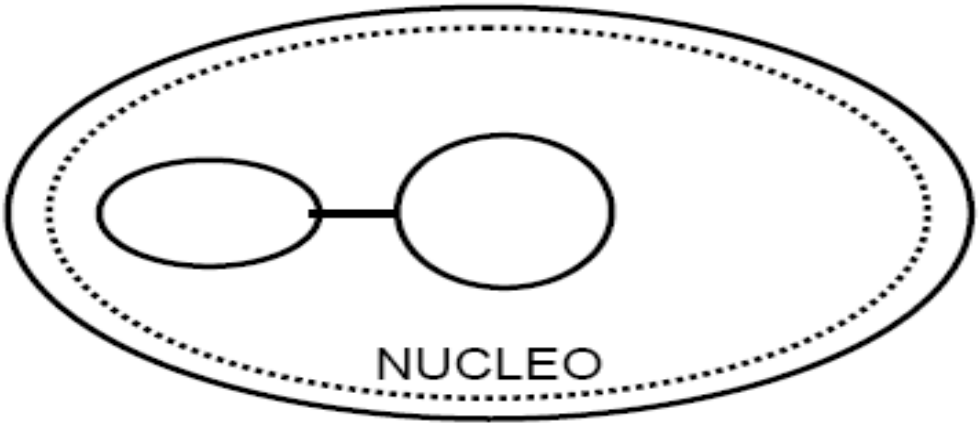

3.
Diamo una serie di verbi: formate con ognuno una **frase minima** con l'inserimento del solo soggetto. Mettete quindi un asterisco davanti alle frasi che risulteranno agrammaticali.

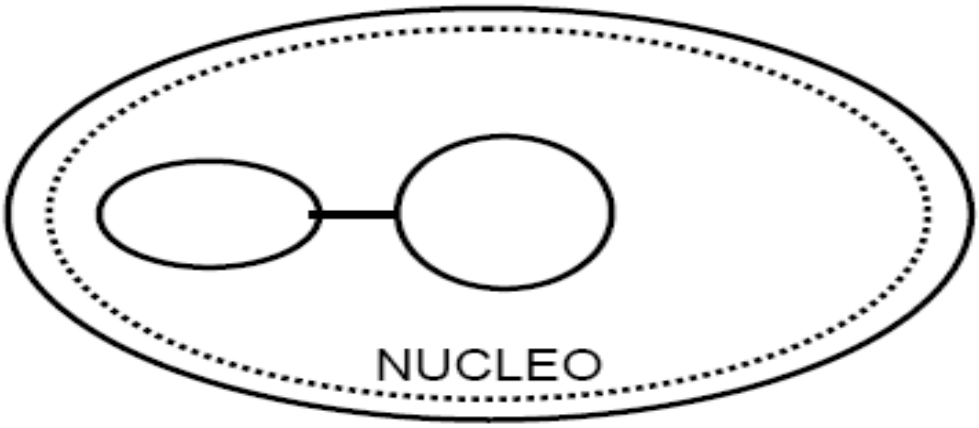

a…….aveva
b. ……..strappò
c…….ha spaventato
d……..aveva portato
e…….adocchiò
f……ha lasciato
g……..infilava
h……..studiano
i ……sta cantando
l …….beve
